

WHITEPAPER

"BONE AT \$1,000.00 IS POSSIBLE, THEY JUST NEED TIME AND YOU BURN"

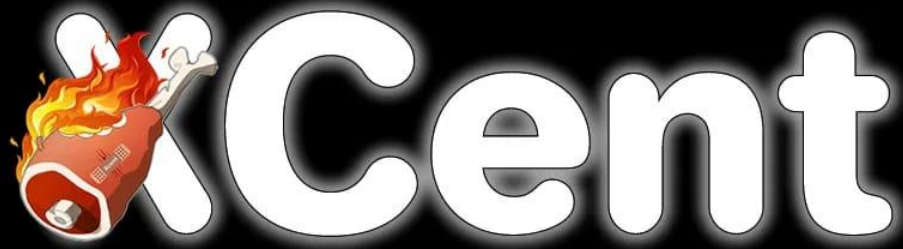

INTRODUCTION

Xcent, has the mission of bringing the 1Cent token to 1Centavo, as well as bringing the BONE governance token to a Thousand Dollars, let's remember that bone has a limited supply of only 250 million tokens, XCent is a token made for the ecosystem community 1Cent and that helps reduce the supply of the Bone token, it is a new generation token that helps another token, however it will also help its sister token 1Cent, since each week a purchase of 2.5% accumulated of all transactions will be made made with which 1Cent and 2.5% will be bought, liquidity will be added to the project, making it rise in value week by week for life, at the same time the amount purchased is burn, this to speed up the burning process and that the revaluation of our token is imminent.

MISSION VISION

MISSION: We have a clear goal for 1Cent to reach 1 cent, as well as for Bone to reach \$1,000.00 dollars

VISION: XCent will become the first and largest Bone token burning site, we are pioneers, until reaching prices of \$1,000.00 dollars, in addition to this we will accelerate the process so that 1Cent reaches 1Centavo.

OUR PROJECT

XCent, Together with 1Cent, are a new generation ecosystem, a token that helps another token, we are pioneers, we are convinced that each and every one of the holders of the 1Cent, Bone and Shiba Inu project should and must invest in XCent, since our tokens are designed to be held and earned over the long term.

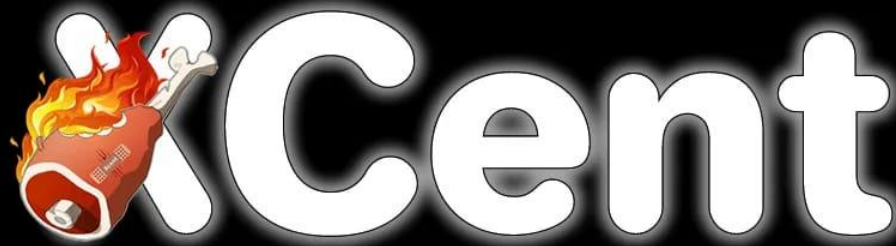

XCENT-TOKEN

XCent launches on April 16, 2022 with a single mission, to make the 1Cent token reach 1Cent, and the Bone token reach \$1,000, however our token will not only burn 1Cent and bone as they will give you rewards in shiba inu for life by holding XCent, as well as revaluing the price of our sister token, providing weekly purchases and providing liquidity to the 1Cent token and later burning those tokens and thus, revaluing the price of 1Cent over time by buying, burning and contributing liquidity weekly.

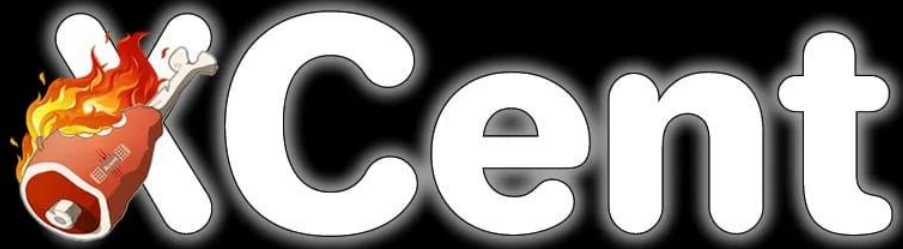

WHY INVEST IN XCent?

1. Our mission and vision is firm and promising, and it is the one that will lead XCent to reach unimaginable prices, since the new generation Ecosystem, which is being built, was specifically designed to win over time, with 1Cent winning in 3 ways , with XCent you earn in 4 ways, intertwined between the sister tokens, all XCent holders will be able to earn in 4 ways:
2. 1. Buy and burn the largest amount of the 1Cent token, as well as providing liquidity week by week, revaluing its value over time.
3. 2. Burn the greatest amount of the Bone token, thus revaluing our investment in Bone over time.

4. The reward will be given in SHIB, we know that shiba is not to be sold but to be kept in the long term since with 1Cent we will make the shib reach \$0.01 cents of the dollar we will have a safe Reward in Shiba inu for keeping XCent for life.
5. For the revaluation of our valuable XCent token since every week 2% of the accumulated amount of all transactions will be bought and burned
